# DVD Sticker Placement Grid

NOTE: F = Front
       B = Back

1. Load 8-1/2 x 11-inch transparency film recommended for your printer.
2. Scroll to the page to be printed.  Go to the file menu and select the Print option.
3. When the print dialog window appears, select the Current Page option and unselect the Fit to Page option.  Press the OK button.
4. The scale of the grid may vary depending on the printer.  You may be able to manually adjust the print scale (Adobe Acrobat 6.0) by selecting the Properties button and then selecting the Manual Scaling option when the printer properties dialog window appears. Verify dimensions of the grid as follows:
